MEDICAL RELEASE FORM

In order to participate in Tate Geological Museum Paleontology Digs, this release statement must be completed and returned with your registration to the Director of the Tate Museum.

I, _____for and in consideration of being permitted to participate in the following Casper College sponsored activity:

Paleontology Dig

do hereby fully release Casper College, the Tate Geological Museum, all administrators, instructors, chaperones, and personnel attached thereto, and their successors, heirs and assignees from all claims for damages or injuries of every kind and description while participating in this activity, as to any right of action which may occur to myself, my heirs and/or my personal representatives. I stipulate and agree that while participating in such activities, to be bound by all orders, rules, regulations, and directions of Casper College and the person or persons charged with supervising my participation in the above named activity. I understand that in all such activities, one or more Casper College staff members will accompany participants.

In witness whereof, I have hereunto set my signature this ____day of _____, 20___

Signature of participant: _____

Printed Name:_____

Signature of Parent or guardian (if under age18): _____
(*Students age 16-17 must be accompanied by registered adult.*)

Please specify any special dietary requirements (vegetarian, celiac, diabetic, etc.)

Please list any aspects of your medical history of which we should be aware, including rare blood type, respiratory or heart problems, physical impairments or limitations, asthma, allergies, epilepsy, diabetes or other chronic conditions. This information will be kept confidential and only will be shared with trip leaders and emergency personnel.

Name: _____

Address: _____

City: _____ State: ____ Zip: _____ Phone: _____

Participants must be capable of fairly strenuous physical activity to reach the excavation sites. Wyoming weather can be changeable! T-shirt and jeans are the norm, with boots or tough walking shoes. A hat, sunglasses and sunscreen are advisable, but bring a sweater and lightweight rain gear too. Hammer and hand lenses are useful options. The Tate will provide collecting bags. Drinks are provided, but you MUST bring your own water bottle.
