**2. Briefly describe any new resources needed for this change (Enter N/A if none).**

**3. Justification and statement describing changes/additions. (Required for ALL submission)**

**4. Attach a copy of existing and proposed course syllabi, degree program, or certificate. (New and modified syllabi must use the current Casper College syllabus template. Degree programs should follow the format used in the Casper College catalog.)** It is important for the faculty member submitting the Casper College Curriculum Proposal/Change form to be in communication with representatives of all areas of resources that may be affected by curriculum changes. The areas of coordination include, but are not limited to *library holdings, personnel, classroom facilities, equipment and tools, computer hardware, computer software, audio and visual equipment.*

**5. Faculty should notify their Department Head/Program Director and Dean of their intentions, then submit this form and appropriate supporting documents to initiate the process of approval as outlined below.** In most cases, the Curriculum Committee must receive the proposal by the end of fall semester for the changes to be made in the next Casper College catalog. The Curriculum Committee meets the 1<sup>st</sup> and 3<sup>rd</sup> Wednesdays of the month at 4:00 pm in PS 111. All are welcome to attend.
