THE CAMP
Livestock Judging Camp focuses on livestock evaluation, with special emphasis on the presentation of oral reasons. Example classes to be evaluated include: market and breeding sheep, swine, cattle, and goats. In addition, four learning divisions will be offered: novice, intermediate, advanced, and adult. Cost for the camp is $225 for students and $150 for advisors, which covers meals, dorms, t-shirt, judging manual, judging contest, and awards.

THE CONTEST
The final day of judging camp will be a mock judging contest where competitors can put their knowledge and skills to the ultimate test! The judging contest will be comprised of six placing classes and three sets of reasons.

INSTRUCTORS
Educators, industry leaders, and livestock judging team members from Casper College will be camp coordinators.
