CHARGING BOOKS AT THE CAMPUS BOOKSTORE:

If you would to use your excess financial aid to purchase books and/or supplies as our campus bookstore, you can do so from July 30 – August 24, 2018. This only applies to students who are expecting a financial aid refund.

DROPPING COURSES AND COMPLETE WITHDRAWAL FROM CASPER COLLEGE:

- Dropping courses or withdrawing from college may affect current and future financial aid awards.
- Your eligibility to retain insurance coverage can also be affected.

• Additional charges may result from schedule changes or a balance due may remain after a drop or complete withdrawal. Contact the Financial Management Office to verify the effects of a schedule change, course dropped, or complete withdrawal.

• A complete withdrawal **CANNOT** be done through myCCinfo. Student can do a complete withdrawal online at www.caspercollege.edu, A-Z index, Withdrawal Request Form. Contact Enrollment Services 307-268-2323 for questions.

• Non Attendance does not constitute withdrawal from courses. A student is responsible for charges incurred to date of formal withdrawal. Notify Enrollment Services if you are not going to attend, 307-268-2323.

FAILURE TO PROPERLY REGISTER:

A student who attends class without being properly registered in that course and subsequently wishes to receive credit for that course, will be required to pay, with collected funds, the tuition and fees associated with the course plus all of that semester’s extension and late fees prior to the student’s enrollment in the course.

PAST DUE ACCOUNTS

• A financial hold is placed on an account whenever a payment is past due or when the account has an outstanding balance, regardless of payment arrangements, prior to early registration.

• The financial hold will prevent new registrations and the issuance of academic transcripts.

• To release a financial hold, the debt must be paid in full. Payment with collected funds will release the hold upon payment. There is a two week wait from the date of deposit when payment is by personal check.

• New registrations will be cancelled for nonpayment of a prior semester debt.

• An account that has not met payment requirements will be referred for collection.

CONSEQUENCES OF AN ACCOUNT IN FULL COLLECTION

• There will be no adjustment to or petition consideration given to an outstanding balance.

• Account will be assessed collection costs, court costs and attorney’s fees incurred as a result of collection efforts. The default will be reported to credit reporting agencies.

• Future enrollment will require prepayment of tuition and fees with collected funds prior to registration. Student will not be permitted to utilize the payment plan.
