Handbook for Advisors, Officers and
Potential Student Clubs

2015-2016

Associated Students of Casper College
Student Senate
Dear Adviser and Officers,

Thank you for your time and effort in advising and leading a Casper College student organization. We encourage students to make connections with others and we recognize that the social aspects of college provide an essential part of each student’s educational experience.

Any group of students can form a club or organization at Casper College. This revised handbook provides guidelines for becoming a Recognized Student Organization (RSO), which allows groups to:

- Reserve campus facilities free of charge
- Conduct fundraising on campus
- Request the use of college vehicles
- Sponsor special events on campus
- Request funding from the ASCC Student Senate

Non-recognized organizations . . . CAN’T.

Student organizations provide an avenue for leadership development, community service and outreach, career exploration, student-to-faculty connections, and FUN. On behalf of the administration of Casper College, thank you for being willing to serve as an organization sponsor and/or officer!

Casper College Student Organization Handbook
Revised November 2015
HOW TO BECOME A RECOGNIZED STUDENT ORGANIZATION (RSO)

Submit the following to the Student Senate (and resubmit annually, as necessary, to ensure that the information is current):

- A constitution or governing document
- A list of officers with contact information (phone and email)
- Provide a written description of your club along with basic information for the Casper College website.
- Contact information for the Casper College employee (faculty, administrator, or staff) serving as the sponsor

Additional requirements of recognized student organizations after gaining approval from Student Senate to become an official club:

- Organizations should include “Community Service” as an integral part of their activities during each school year. Reports including the activity performed and organizational members should be provided to the ASCC Student Senate. If desired, you can contact the Service Learning Coordinator on campus for some community service ideas.
- Organizations that are local chapters of national clubs or organizations should also provide a copy of the national charter to the Vice President of Student Services.
- Organizations will have an “agency account” set up for them at the Accounting and Financial Management Office (completed by the Vice President for Student Services). These funds are carried over year-to-year for the organization. Contact the AFM office for additional requirements for these accounts.

A CHECKLIST OF THINGS YOU NEED TO DO TO BECOME A RSO

Find an adviser

Make a constitution

Compile an official club roster

Decide who your club officers are going to be and what they will be doing

Have a community service project lined up

Have a student activities project lined up

Set up a meeting with student senate

Make a presentation to student senate as to why they should vote you on as an official club on campus

That’s it! That’s all there is to turning an informal club into an officially recognized student organization!
GUIDELINES TO BEING AN RSO ADVISOR

Your willingness to sponsor a student club or organization shouldn’t put you at peril—personally or professionally. Here are some quick guidelines and suggestions for you to consider. The first rule, of course, is to exercise common sense. If you don’t think it’s a good idea, don’t sign on to it—whatever “it” is.

A CHECKLIST OF THINGS AN ADVISER NEEDS TO BE AWARE OF

It’s a good idea to include in the governing document for the organization exactly what the role and scope of the advisor’s duties and responsibilities are. In this day and age, it’s always a good idea to have something written, rather than an oral agreement.

Periodically review the Student Conduct Code found in the Casper College Student Handbook (which is also on the College’s Website) with members of your organization. Remind all members that the code is in place even when they are traveling away from campus on club-sponsored trips. For example, college vehicles and hotel rooms paid for through the college are considered extensions of the campus. Therefore, alcohol and smoking are still prohibited! All other conduct code stipulations are also in effect during the trip.

Check with your campus supervisor regarding how your sponsorship of the student organization “fits” into your job duties or responsibilities. Most organization sponsors do so as part of their individual community service or volunteer work.

Casper College has policies regarding demonstrations, publicity distribution, and facilities reservations, which can be found in the Policy Manual available on the College Website under Policies & Procedures.

ALL members of the organization and the sponsor are expected to conform to all Casper College regulations and all local, state, and federal laws regarding their activities. Consult with the Vice President for Student Services if you have any concerns or questions about current case law.
GUIDELINES TO CLUB EVENTS, ACTIVITIES & FUNDRAISING ON CAMPUS

The main focus of most student organizations is leadership and personal development through participation in activities. These activities are fun, educational, and the motivating factor for most of the students to join the organization. The purpose of this section is to offer some general suggestions about how to go about organizing activities. Admittedly, most of the following doesn’t sound like much “fun.” BUT, if you’ve taken care of these details, your organization will be able to have fun with your activities!

Of course, all of the following assumes that you have already gotten “Recognized Student Organization” status for your group.

A CHECKLIST TO RESERVING INFORMATION TABLES AND PUBLICITY OUT ON CAMPUS

1. For setting up an information table, contact Facilities Coordinator Sandy Hanify at 268-2265 to arrange the table and chairs for your location.

2. As a Recognized Student Organization, you will be contacted by the Student Activities Office personnel to participate in “Welcome Back Week” as well as other special events.

4. Before any flyer can be posted in any building on campus, your organization MUST get it approved by the Academic Assistant in that building. Without this approval, your flyers may be taken down and discarded.

5. No flyers are EVER allowed outside on the Casper College campus. (Think about the wind and how easily it could turn your flyers into trash!)

SPONSORING YOUR OWN EVENTS ON CAMPUS

- Student Organizations, in many senses, provide the “pulse” of activities happening on campus. We encourage you to bring various events and activities to campus—as long as you comply with a few important policies.

- First, contact Facilities Coordinator, Sandy Hanify, at 268-2265 to find an appropriate space. Depending on your event, any available room may not be the best place to have your event. For example, there may be classes, testing, or other activities or loud events in the room next door. The Facilities Coordinator can help you avoid these kinds of conflicts.

- Second, let the Director of Campus Security at Ext. 2688 know when and where your event will be taking place. Often, people drive to campus knowing that something is happening but they don’t know the details. Since the Security Officers will be the most likely people they will contact or encounter for the details, it’s a good idea to let them know and get your event into their daily briefings.

- If your event requires any kind of microphones, PowerPoint, or other media help, let the Media Services (268-2009) people know as soon as possible. They can help your organization
determine your media needs provided you let them know early. If you call them at the last minute, you may be on your own!

- Finally, be familiar with Casper College Policies and Procedures for use of facilities and public access areas

**FUNDRAISING**

- **ALL FUNDRAISING ACTIVITIES BY YOUR ORGANIZATION HAVE TO BE APPROVED BY STUDENT SENATE!**
  The reason for this is that the Senate can help avoid conflicts like multiple organizations doing fundraising at the same time or violations of College policies regarding fundraising. No one benefits much from 7 car washes or 6 bake sales on campus on the same day!

- **ABSOLUTELY NO FUNDRAISING SHOULD BE DONE OFF CAMPUS WITHOUT THE KNOWLEDGE OF THE CASPER COLLEGE FOUNDATION!**
  If your organization “hits up” a possible donor for a couple of hundred dollars, it could interfere with Casper College’s ability to ask the same donor for several thousand dollars. Contact Paulann Doane, Executive Director of the Foundation at 268-2684.

  Bake sales or other food-related fundraisers should be approved by the Director of Food Service just to make sure you’re not violating State or City Health Department laws.

**MAINTAINING RSO STATUS**

**A CHECKLIST OF WHAT CLUBS NEED TO DO TO MAINTAIN RSO STATUS FROM YEAR TO YEAR**

1. First, be sure to have your organization’s current Constitution and list of officers and club roster on file with the Student Senate at the beginning of each semester.

2. Make sure you have a representative at the presidents meeting at the beginning of the fall semester (info will be provided by the Vice President of Student Services OR Student Senate President)

3. Line up at least one community service project with Gretchen Wheeler (Center of Learning through Service LI 214)

4. Line up at least one student activities project with Nick Whips (Office of Student Life UU 405)

5. By Laws state that an organization is required to send a representative to an ASCC student senate meeting twice per month

6. Organizations must submit club information/descriptions annually to be updated
REQUESTING FUNDS FROM STUDENT SENATE

CHECKLIST FOR REQUESTING FUNDS FROM STUDENT SENATE

First, be sure to have your organization’s current Constitution and list of officers on file with Student Senate.

Second, each year’s Student Senate sets the procedures for requesting funds. Check with either the Vice President for Student Services, the Faculty Advisor, Student Senate President, or Student Senate Budget Committee Chair for current forms or procedures.

Make sure you have completed or have proof that you will complete all of the requirements of an RSO (if you have not completed your requirements you will not receive funds)

Vending Machine funds are currently distributed through a formula developed through the Vice President’s office. As changes to the formula occur, it is important that your organization stay in contact with the Student Senate (At least once per semester, the Student Senate President will contact you regarding a “Presidents Council” meeting. It is important that you and your organization’s president, or an appropriate designee, be present at these meetings. Current policies regarding requesting funds from Student Senate or vending machine funding policies will be distributed.) to be current on those policies.

STUDENT ORGANIZATION AND CLASS TRAVEL PROCEDURES

I. PURPOSE
Casper College supports co-curricular student learning and encourages participation in student clubs/organizations and class activities. The College encourages student organizations and classes to take advantage of events off campus that enhance their education such as conferences, cultural trips, competitions, and special events. To promote a safe travel experience, the following procedures have been established for students traveling as a representative of a Recognized Student Organization (RSO) or Casper College in general.

These guidelines do not apply to individual student travel for the purpose of internships, practicums, observations, or other required off-campus class assignments not funded by the College. Students traveling to athletic or other College events as spectators are also exempt.

II. DEFINITIONS
A Recognized Student Organization (RSO) is one that has been formed for educational, professional, social, recreational or other lawful purposes and derives the majority of its membership and all of its leadership from the Casper College student body or that of the University of Wyoming at Casper. An active RSO is required to provide the Student Senate with a copy of the organization’s constitution, a list of the current officers, and the name of the current employee sponsor.
A College sponsored event or activity is one that is initiated, planned and arranged by a member of the College’s faculty or staff, or by members of an active RSO, and is approved by an appropriate administrator, and/or an activity or event that is managed and financially supported by the College.

A current student is one who is currently registered/enrolled at Casper College and/or University of Wyoming at Casper on a full- or part-time basis, whether taking the class(es) for credit or noncredit.

An appropriate administrator is a Vice President, Dean, Department Head or Director, or his/her authorized designee.

III. GENERAL GUIDELINES

A. Travel by a Recognized Student Organization, College team, academic class, non-academic class, and/or college group must be consistent with the group’s constitution, College’s mission and/or team and class objectives. Travel should be planned so it does not create an undue interference with academic responsibilities.

B. Student groups/organizations/classes/teams are required to have an advisor/instructor traveling with them. The travel advisor must be a College employee who has received appropriate administrator approval.

C. College sponsored student travel applies to current students, class participants, club/organization members and/or others as appropriate.

D. The Casper College Student Conduct Code applies to all on- and off-campus activities, events, and classes including all travel. The travel advisor should discuss the Conduct Code with students prior to departure.

E. A Casper College Student Travel Authorization Request form is to be completed and on file with the Vice President for Student Services Office ONE WEEK prior to travel. The authorization is to include the following: a list of all participants, student travel release forms, and any additional required information.

F. Casper College vehicles are to be used for student travel transportation. Submit a Vehicle Request form to the Physical Plant office as soon as travel dates are established. College personnel may elect to take their own private vehicles if prior approval is secured. If a College vehicle is available but a private vehicle is used, the College will reimburse at a rate of $.10 per mile below the IRS mileage reimbursement rate set by the College as of July 1 for the current fiscal year.

G. Approval from the Office of Human Resources is required prior to driving a College vehicle. A copy of your Wyoming driver’s license and a report of your driving record from the State of Wyoming must be on file with HR. Special training is required for transporting large groups using the College’s “people mover” vans. A bus driver may be hired at additional cost to the group/organization. It is VERY IMPORTANT to allow enough time for these activities before you plan to travel.

H. The College Insurance policy does not cover drivers under the age of 21. If there’s a possibility that a student employee might drive a Casper College vehicle, he/she must be 21 and also have his/her Wyoming driver’s license and State of Wyoming driving record on file and be approved by the HR office.

I. A travel cash advance to pay for meals, hotel rooms, and gasoline is available from the Financial Management and Accounting Office for activities/organizations that have a College budget account and/or an Agency account. A Check Requisition form for the estimated amount of the trip is to be submitted to the FMAO at least one week prior to travel. The travel sponsor will receive a check (made out to him/her) and an envelope that outlines the amount of receipts that need to be submitted upon return. Meal costs during travel are compensated on either a per diem rate OR per actual verified cost. The allotted meal per diem is $44 ($9, breakfast; $13, lunch; $22, dinner); OR, actual meal receipts can be submitted, which may be the most economical for your organization. All other expenses (lodging, registrations, gasoline, etc.) must be accompanied by receipts in the envelope returned to the FMAO.

Credit card expenditures must also be verified by receipts in order to be paid.
J. Reimbursements are possible, but are discouraged, for any Casper College employee sponsoring college-related travel. Except in special circumstances, Casper College employees are expected to report expected travel expenses for college activities in advance to the Financial Management & Accounting Office.

K. Organizations that travel often, or that have usual expenses incurred on a regular basis, should contact the Casper College Purchasing Coordinator to see if a Casper College Credit Card is possible.

STUDENT TRAVEL AUTHORIZATION AND RELEASES

Complete and file the Casper College Student Travel Authorization Request and the appropriate Student Travel Release Forms with the office of the Vice President for Student Services at least TWO WORKING DAYS prior to any travel. Student travel cannot take place without prior approval and completion of this process. The travel procedures have been implemented to afford you, the College, and the students some form of protection should any unforeseen circumstances arise.

It is strongly recommended that all students traveling with a club/organization or in conjunction with a class activity should have personal health insurance. The College offers a low cost policy through Student Assurance Services, which can be accessed at www.sas-mn.com. Brochures are available from Student Services (GW 412). The coverage is designed to provide benefits for medical expenses arising from an injury or sickness including those which occur off campus and during interim vacations.

- CASPER COLLEGE STUDENT TRAVEL AUTHORIZATION REQUEST
- STUDENT TRAVEL RELEASE FORM
- EMERGENCY CONTACT INFORMATION FORM

This sample constitution is provided for use as a guideline only. If you like this format, you may use this document as a template. Simply delete this introductory paragraph, put your club or organization’s name at the top, and fill in the sections with information relevant to your club or organization. Your club or organization’s actual constitution may be expanded or abbreviated but must include the following asterisked (*) sections below in order to be considered for registration as a student club or organization at the Casper College.

*- Components marked with an asterisk are required for student club and organization constitutions. Constitutions submitted without these components will not be approved.

* Section 3 – [Insert the term length of each position. Being specific may be helpful, like “…one year from October 1 to September 30.” Be careful to include provisions for holding elections before an officer’s term expires.]

* Section 4 – [Insert provisions for removing an officer, in the event it is necessary.]

* Section 5 – [Insert whether reports from officers to the membership will be required. If the club or organization decides they are required, how often will they be made? How will they be made available?]

Article VI – Elections
Section 1 – Election of officers shall be held [Insert the month of elections and specify which member of the club or organization will oversee them. Who will announce elections? The candidates? The results? A provision should be made that specifies how far in advance election meetings will be announced.]

Section 2 – [Insert procedures for filling vacancies in positions.]

Section 3 – [Insert procedures for voting in elections. Some club or organizations make provisions for a secret ballot, for example, whereas some feel a vote by a show of hands is best. constitution.]

established by the Office of Student Activities supersede them.]

which they are assessed, and the individual responsible for collecting and processing dues.]

membership required to amend the constitutions. What is the process by which revisions may
be proposed? How far in advance must proposals be distributed to the membership? Are
changes effective immediately upon their passage? May this take place at any meeting, or may
changes only be proposed and passed at an official business meeting? Every time the club or
organization’s constitution is amended, a revised copy must be e-mailed to the Office of
Student Activities at studentactivities@newhaven.edu.]

Article XII – Bylaws
Some club or organizations may find it necessary to implement policies other than the primary
guiding rules described in a constitution. As the constitution, in many ways, is the backbone of
the club or organization, it may not be appropriate to include secondary policies in this
document.
