**Methodology:** This is a mastery based course. This means that you must master the material in each chapter before moving on to the next chapter. Extensive problem solving will be utilized. We will attempt to cover one chapter a week. The requirements to pass a chapter are as follows:

- Homework 80%
- Quizzes 75%
- Tests 70%

While the homework, quizzes, and test scores themselves do not count toward your final grade in any way, completion of that work will. Your final grade is determined by the amount of work you do each week.

You earn points on a weekly chapter basis in the following way:

- 1 hour work in Acct class 1 pt max of 5 pt
- Pass a chapter test 5 pt max of 5 pt

Note that work done in class is restricted to work done on homework or quizzes. Tests are completed in the testing center (see details below).

**Incompleteness penalty:** If you do not finish all 12 chapters, then you will be assigned a final grade of F.

**Computer checkout:** There is a Chromebook (computer) reserved at the library for you to check out for the entire semester to use in this class. Please go to the Help Desk on the 1st floor of the library to check out the computer in your name. Make sure and have it with you from the second day of class on. All work is done on the computer. Note: You must have library card to check out the computer. If you don’t have one, you can get your student ID activated to “become a library card” at the Circulation Desk on the 2nd floor of the library.

**Learnsmart tutorials:** MUST be done ahead of time to allow for proper completion of homework and quizzes. You will not be allowed access to the homework and quizzes until you have completed the learnsmart module for each chapter. These can be done at home on your computer. They are basically the lecture material for the class. To access the learnsmart tutorials go to [http://connect.mheducation.com/class/acct_redesign_ott](http://connect.mheducation.com/class/acct_redesign_ott). **Homework:** Homework assignments for each chapter will also be set up online at: [http://connect.mheducation.com/class/acct_redesign_ott](http://connect.mheducation.com/class/acct_redesign_ott). Completing the tutorials is a prerequisite for accessing the homework assignment.

You will need to go online to [http://connect.mheducation.com/class/acct_redesign_ott](http://connect.mheducation.com/class/acct_redesign_ott). Completing both the tutorials and the homework is a prerequisite for accessing the quizzes.

**Tests:** Once you have successfully completed the learnsmart, homework and quizzes, you will be able to access the chapter tests. Tests are proctored.
