Instructor’s Name: Lydia Whitten

Email: lwhitten@caspercollege.edu

Course Description: This course is designed to incorporate the advanced features of PowerPoint. Students will integrate presentations with other programs, customize handouts, publish a presentation as a Web page, add action buttons, add hyperlinks, incorporate advanced special effects and create special types of presentations. Extra laboratory work may be required. Completion of CMAP 2635 and CMAP 2636 (for a total of 2 credits) is equivalent to CMAP 2630.

Statement of Prerequisites: CMAP 2635 or permission of the Flex lab instructor.

Goal: Upon successful completion of this course, students will demonstrate the ability to develop effectively design and develop digital presentations using a presentation software program.

Outcomes: Upon successful completion of this course, students will have the basic skills to use Microsoft® PowerPoint 2013 to:

- Create a presentation using a design template with various slide layouts including bulleted lists
- Customize the PowerPoint window, themes, and handouts
- Apply advanced special effects to shapes and objects
- Use visuals to enhance a slide show
- Modify visual elements, create hyperlinks and action buttons
- Animate objects and create motion paths
- Create a self running presentation
- Deliver presentations
- Solve problems using critical thinking and creativity

Methodology: This course is self-directed which means, students work at their own pace with an instructor present to provide guidance and answer questions. Students will attend a mandatory orientation session to receive class material and directions for successful completion of the course. Students are expected to make continual progress toward the completion of the course so that the course will be completed during the semester.

Evaluation Criteria: Grades will be computed on a point scale and weighted. Points will be totaled at the end of the semester and a percentage grade computed. Your final grade will be weighted as follows:

- 35% Homework assignments
- 30% Quizzes
- 25% Final Exam/Project
- 10% Subjective Factor*

*An assessment of class attendance, cooperation with others, class participation, attitude, initiative, and the ability to get your work in on time. Employers consider such factors to be of vital importance in evaluating employee job performance. Therefore, the letter grade you earn will reflect this aspect of your work.
Grades will be recorded in Moodle for your review but are calculated using an alternative software program to allow for the above categories and their associated weights. You will receive a midterm and final grade for the course. Keep in mind the grades you see in Moodle do not reflect the subjective factor of your grade. The grading scale is as follows:

- A ................. 90-100%
- B .................. 80-89%
- C .................. 70-79%
- D .................. 60-69%
- F .................. 0-59%

Casper College may collect samples of student work demonstrating achievement of the above outcomes. Any personally identifying information will be removed from student work.

Required Text, Readings, and Materials:

- USB drive to save your work for this class only
- Data files (may be obtained online or in the Flex Lab)

Submitting Assignments. You are to print upload your files to the course web site in Moodle where you will find a link for each assignment. Your entire weekly assignment must be complete before uploading. It is up to you to make sure all files are included. Incomplete work will result in a reduced grade.

Grading. These assignments are listed in the course content section. To get full credit on these assignments, complete the work carefully and completely. Spell-check all work and avoid grammar errors. Each assignment is worth 10-15 points. Lab assignments will be graded as follows:

<table>
<thead>
<tr>
<th>Points</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>10</td>
<td>Assignment is completed correctly, no spelling or grammar errors</td>
</tr>
<tr>
<td>8</td>
<td>A formatting error in the assignment OR 1-2 spelling/grammar errors</td>
</tr>
<tr>
<td>6</td>
<td>Formatting errors in the assignment OR 3-4 spelling/grammar errors</td>
</tr>
<tr>
<td>4</td>
<td>3-5 errors in the assignment OR 5-6 spelling or grammar errors</td>
</tr>
<tr>
<td>2</td>
<td>Assignment has numerous errors including spelling/grammar errors</td>
</tr>
<tr>
<td>0</td>
<td>No work submitted or incorrect file submitted.</td>
</tr>

Class Policies: As a student you are expected to attend all classes for which you are registered and will be accountable for all class work during an absence. Excessive absences or tardiness may result in a lowered grade or dismissal from the course. In addition, you are expected to complete all reading assignments, complete all homework assignments/projects and take all scheduled quizzes. Reading assignments should be completed at home before attempting to work on your assignments in the Flex Lab. Assignments must be completed and submitted in the order listed on the syllabus.

When you are in this classroom, you need to be working on classroom activities only. All Web/Internet browsing will be specific to the course needs. All computer activity in this room is monitored. By taking this course, students agree to have their activity monitored while working in BU 404. This includes browsing the Web.

**STUDENTS ARE EXPECTED TO TURN OFF CELL PHONES OR SET THEM TO VIBRATE DURING CLASS TIME.** If you need to take a call, you must leave the classroom to do so. Students not abiding by these rules will be asked to leave the
classroom.

An important objective of this class is to maximize each student’s opportunity to learn by working quietly. You are asked to show respect, be courteous and considerate of each other at all times. Disrespectful or disruptive behaviors will not be tolerated. Use of inappropriate behavior or language can result in dismissal from class.

Last Date to Change to Audit Status or to Withdraw with a W Grade: November 12, 2015

Student Rights and Responsibilities: Please refer to the Casper College Student Conduct and Judicial Code for information concerning your rights and responsibilities as a Casper College Student.

Chain of Command: If you have any problems with this class, you should first contact the instructor in order to solve the problem. If you are not satisfied with the solution offered by the instructor, you should then take your problem through the appropriate chain of command starting with the Department Head, the Dean, and lastly the Vice President for Academic Affairs.

Official Means of Communication: Casper College faculty and staff will employ the student's assigned Casper College email account as a primary method of communication. Students are responsible to check their account regularly. This is also, where you will find course evaluation links during course evaluation periods.

Academic Dishonesty - Cheating & Plagiarism: Casper College demands intellectual honesty. Proven plagiarism or any form of dishonesty associated with the academic process can result in the offender failing the course in which the offense was committed or expulsion from school. See the Casper College Student Code of Conduct.

ADA Accommodations Policy: If you need academic accommodations because of a disability, please inform me as soon as possible. See me privately after class, or during my office hours. To request academic accommodations, students must first consult with the college’s Disability Services Counselor located in the Gateway Building, Room 344, (307) 268-2557, bheuer@caspercollege.edu. The Disability Services Counselor is responsible for reviewing documentation provided by students requesting accommodations, determining eligibility for accommodations, and helping students request and use appropriate accommodations.
