Outcomes: (This is how you measure how you will reach your goal. Outcomes must be measurable, should have multiple measures of outcomes. Don’t hesitate to let students know what it is you want them to know or do)

Methodology: (lecture, lab, demonstration, coop, online, video, telecourse etc.)

Evaluation Criteria: (be very specific – if you grade on participation, say so. Give as specific details on numbers of exams, quizzes, etc as you can, - you cannot change evaluation criteria without properly notifying the students- a written revision is better than just a verbal one. Let them know your percentage point cut-offs)
