Learn Smart Study Assignments (LSSAs)
There will be 12 LSSAs (one for each chapter). These are found in the McGraw Hill Connect homework assignment area http://connect.mheducation.com/class/g-becker-spring-2016---acct2010-n1. These will be posted with due dates and times. They will be due at the beginning of the chapter to give you a quick preview to test your initial understanding. They must be completed by the due date and time to receive credit. These will be credit or no credit. Either you complete them totally and get the credit or not and do not get the credit. These will take you approximately 30 minutes to complete and consist of about 20 questions regarding the chapter.

Forums (Discussions)
For every chapter you will be required to post at least one but no more than 2 questions that gave you the most difficulty in the LSSA you did for the chapter. These questions MUST be posted before the last day of posting to get credit so that others have a chance to respond. You must also respond or add to at least 3 other students’ questions. Your response can not be the same as someone who has already responded. You will be given a maximum of 5 points for each chapter’s forum. Be sure and read the Forum Postings Rubric document in the Moodle site for this class.

Homework
Homework will be made available in McGraw Hill Connect for purposes of preparing for Chapter tests. You will need to go online at: http://connect.mheducation.com/class/g-becker-spring-2016---acct2010-n1 Follow the instructions and self-register for the class using the code provided with your textbook. Once you have registered and entered into the course, you will find LSSAs, Homework assignments, quizzes and Practice for each chapter. You can do the practice problems if you want and as many times as you want, but they are not graded. The Graded assignment for each chapter can be attempted 1 Time. You can check your work up to 3 times as you go, so do not submit your final copy until you are completely correct. Each graded homework assignment is worth 20 points. In addition, you can access powerpoints, practice quizzes and a variety of other publisher resources in the Library of Connect.

Quizzes
For each chapter there will also be quizzes in the McGraw Hill Connect website. You are responsible to take these by the due date and time. You will be allowed three attempts with your best score being recorded for the chapter. Each Quiz will be worth 10 points.

Tests
Tests for each chapter can also be found in McGraw Hill Connect. There will be a 100 point test on each chapter. Each test is open for at least 1 days after the homework and quizzes are due for the chapter. Two tests will be dropped at the end of the semester. If you do not take a test, up to two of those will be dropped otherwise it will be your lowest 2 test scores. YOU MAY NOT DROP ANY PROCTORED TESTS! Subsequent tests missed will be recorded with a score of zero in the grade book. Thus NO MAKE-UP TESTS will be allowed. Plan accordingly. Avoid missing tests at the beginning of the semester in case you encounter an emergency later on.
Proctored tests: Chapter 4, Chapter 8, and the Final Exam MUST be proctored. YOU MAY NOT DROP ANY PROCTORED TESTS! Please arrange for a proctor well in advance of test time. You will need to e-mail me the proctor’s name, email address, and phone number so that I can send them the information necessary to proctor the exam. For those close to Casper College, the testing center in the Business Building can be used. The phone number there is (307) 268-3850 and the website for hours is [http://www.caspercollege.edu/testing/index.html](http://www.caspercollege.edu/testing/index.html). You will be required to show ID to gain admission to the testing room. Also, you will not be allowed to have any materials other than calculators and pencils with you. If you do not live near Casper College, many libraries are willing to administer proctored exams. If not, a minister, school teacher or other “professional” individual will need to be discussed with me.

Required Text, Readings, and Materials: Financial Accounting Principles Larson, Wild, Chiappetta 22e McGraw-Hill Irwin; registration for Connect and Casper College Moodle website. If you do not have the money right away to get these, you can go to the link for Connect and register there. As you go through the registration procedure, you will be given a choice to obtain a 14 day free trial which includes an E-book. If you choose this option you will have full access for that 14 days and at any time you can go in and put your purchased code in. Remember however after 14 days your trial will expire and you will have to buy.

Class Policies: Last Date to Change to Audit Status or to Withdraw with a W Grade: April 14, 2016. I will NOT sign a drop slip after this date.

Student Rights and Responsibilities: Please refer to the Casper College Student Conduct and Judicial Code for information concerning your rights and responsibilities as a Casper College Student.

Chain of Command: If you have any problems with this class, you should first contact the instructor in order to solve the problem. If you are not satisfied with the solution offered by the instructor, you should then take your problem through the appropriate chain of command starting with the department head, then the Business & Industry School Dean, and lastly the vice president for academic affairs.

Academic Dishonesty - Cheating & Plagiarism: Casper College demands intellectual honesty. Proven plagiarism or any form of dishonesty associated with the academic process can result in the offender failing the course in which the offense was committed or expulsion from school. See the Casper College Student Code of Conduct.

Official Means of Communication: Casper College faculty and staff will employ the student's assigned Casper College email account as a primary method of communication. Students are responsible to check their account regularly. This is also, where you will find course evaluation links during course evaluation periods.

ADA Accommodations Policy: If you need academic accommodations because of a disability, please inform me as soon as possible. See me privately after class, or during my office hours. To request academic accommodations, students must first consult with the college’s Disability Services Counselor located in the Gateway Building, Room 344, (307) 268-2557, bheuer@caspercollege.edu. The Disability Services Counselor is responsible for reviewing documentation provided by students requesting accommodations, determining eligibility for accommodations, and helping students request and use appropriate accommodations.

Calendar or course schedule: A separate daily schedule is provided for this class giving a day by day calendar of topics and assignments. This schedule may change as needed, but gives you an outline of when topics are covered and assignments due in order to complete the 12 chapters of this course.
