Course Description: This course focuses on introducing and facilitating the growth of characteristics typical of successful college students. Students will learn how to take charge of their life, increase self-motivation, improve personal self-management, develop interdependence, increase self-awareness, maximize learning through effective study skills and raise their self-esteem.

Statement of Prerequisites: None.

Required Text, Readings, and Materials:
On Course, Study Skills Plus Edition by Skip Downing (bring to every class).

Course Supplies: 3 ring binder or folder to hold journal entries, quizzes, handouts and paperwork.

Goal: To provide students with academic and personal strategies for a successful transition to college.

General Education Outcomes: Upon completion of this course, students will be able to:

1. Demonstrate effective oral and written communication
2. Solve problems using critical thinking and creativity
3. Demonstrate knowledge of diverse cultures and historical perspectives
4. Appreciate aesthetic and creative activities
5. Describe the value of personal, civic, and social responsibilities.
**Course Objectives:** Upon completion of this course, students will be able to:

1. Describe personal responsibility and identify how it relates to success in college
2. Describe past & present personal choices that impact goal attainment
3. Summarize relevant research through active discussion and collaboration with peers
4. Recognize cultural differences and demonstrate respect for multiple perspectives
5. Identify where and how to access campus support services
6. Demonstrate interpersonal skills through creative group discussion and activities
7. Demonstrate effective written communication.

Casper College may collect samples of student work demonstrating achievement of the above outcomes. Any personally identifying information will be removed from student work.

**Methodology:** Instructional methods used for HMDV 1300 are aimed at providing an active learning environment in which each student gains from the input and experience of others. Multiple methods will be used including lecture, visual aids, experiential activities, and peer collaboration. Your feedback is valuable as the instructor uses course evaluations in determining course methodology.

**Student Rights and Responsibilities:** Please refer to the Casper College Student Conduct and Judicial Code for information concerning your rights and responsibilities as a Casper College Student.

**Chain of Command:** If you have any problems with this class, you should first contact the instructor to attempt to solve the problem. If you are not satisfied with the solution offered by the instructor, you should then take the matter through the appropriate chain of command starting with the Department Head/Program Coordinator (Leanne Sims), the Dean of Social & Behavior Sciences (Brandon Kosine), and lastly the Vice President for Academic Affairs (Shawn Powell).

**Academic Dishonesty:** (Cheating & Plagiarism) Casper College demands intellectual honesty. Proven plagiarism or any form of dishonesty associated with the academic process can result in the offender failing the course in which the offense was committed or expulsion from school. See the Casper College Student Code of Conduct for more information on this topic.

**Official Means of Communication:** Casper College faculty and staff will employ the student's assigned Casper College email account as a primary method of communication. jennie.miller@caspercollege.edu is my CC email account. Students are responsible for checking their account regularly. This is also where you will find course evaluation links during course evaluation periods.
**ADA Accommodations Policy:** If you need academic accommodations because of a disability, please inform me as soon as possible. See me privately after class, or during my office hours. To request academic accommodations, students must first consult with the college’s Disability Services Counselor located in the Gateway Building, Room 344, (307) 268-2557, bheuer@caspercollege.edu. The Disability Services Counselor is responsible for reviewing documentation provided by students requesting accommodations, determining eligibility for accommodations, and helping students request and use appropriate accommodations.

**Class Policies:**

1. **Cell Phones:** *No cell phone use in class.* Please turn your phones to silent during our class meetings. Cell phone use is a disrespectful distraction in class.

2. **Use of tobacco products:** The use of tobacco products including vapor cigarettes are not permitted in class. Please remove all smokeless tobacco before class. Using tobacco products in class will result in you being asked to leave class.

3. **Audit/Withdraw:** Students may withdraw from this class without a “W” on your transcripts up until February 1st. The last day to withdraw with a “W” on your transcript from this class during the semester is April 14th. Please come see or email me if you feel you need to withdraw.

4. **Keep all assignments:** It is important that you keep all graded work. We occasionally make mistakes when recording grades. If this happens, you will need your graded work to prove any discrepancies in your grade.

5. **Late assignments:** They are not accepted without prior approval from the instructor. Late assignments will only be accepted for college excused absences and major emergencies.

6. **Attendance & Participation:** It is mandatory and necessary for a passing grade! There are daily quizzes, participation activities, etc.; if you are absent, you will not receive points for the day. Regardless of your reasons for missing, an absence cannot be made up. So please choose your absences wisely. If you are not able to be in class, please contact me through phone or email. If you miss a class and there is an assignment due that day, you are expected to turn in the homework, regardless of your absence. Failure to turn in the homework ahead of time will be considered “late work” and will not be accepted.

7. **Civility:** Civil behavior enhances the academic setting and is expected at all times. Courtesy and respect for others are essential elements of the academic culture. The academic environment welcomes a difference of opinion, discord and debate within a civil environment. Disruptive behavior may result in you being asked to leave the class and administratively removed from the course.
Evaluation Criteria: The grading system in this course is point-based. Following is an explanation of graded activities in the course followed by the point breakdown, maximum points possible and letter grade calculation.

500 points = Daily Quizzes or Assigned Class Activities (25 classes/20pts)
300 points = Weekly Journal Entries (15 journals/20pts)
100 points = Personal Educational Plan/Map
100 points = Final Exam
1,000 points = Total Points Possible

Letter grades and percentages are based on:
A = 1,000-900 points (100-90%)
B = 899-800 points  (89-80%)
C = 799-700 points  (79-70%)
D = 699-600 points  (69-60%)
F = 599-0 points    (59-0%)

**Late work:** Late work is not accepted.

Daily Quizzes or Assigned Class Activities (500 Points)
Attendance is Critical!!!! Various types of quizzes and assigned activities in class will be evaluated based on the specific assignment. Remember this is an active learning classroom. We will be doing a number of activities throughout the class that require you to communicate with other classmates, try new things and offer your thoughts and opinions.

You are required to bring your textbook and student handbook to class!!! Points will be randomly given!!!

Weekly Journals (300 Points)
Your Journal provides an opportunity to explore your thoughts and feelings as you experiment with the success strategies presented in On Course. Although I will be reading your journal entries, write your journal for yourself, not for me.

  o **Method:** All journals must be written or typed. They must be submitted in hard copy format (no email).

  o **Evaluation:** The due dates for each journal are clearly outlined in the class syllabus. I will occasionally make comments on your journals. These are just “wonderments” or thoughts I have, not criticisms of your work. I encourage you to “dive deep” with your journal entries and reflect on how you see the assigned readings playing out in your own life. These journals will not be graded on grammar and spelling, rather your attempt to “dive deep”.

- **Journal Points**: Journal entries have varying points depending on their length and complexity. To earn the maximum number of points possible, complete all steps in the journal and make an obvious attempt to dive deep! When evaluating your attempt to dive deep, I will look for evidence supporting your response (ex: why you believe your statements and where they come from).

**Personal Educational Plan/Map (100 points)**
You will create a Personal Education Plan/Graduation Map this semester. P.E.P.s help students organize and plan a path to graduation. This concept will be introduced and started in class, but you will need to complete your P.E.P. on your own.

**Final Exam (100 points)**
The Final Exam will consist of short essays, multiple choice questions, and true/false questions.
**Course Schedule**

**Library orientation & training TBA @ Goodstein Library.**

**The course calendar and syllabus are subject to change at the discretion of the instructor. Any changes shall be announced in class. You are responsible for obtaining the changes made during a class period you miss.**
