Course Requirements:
I. Classroom
1. Classroom times are reserved for “Interactive Content Reinforcement” (ICR) and unit tests. See course calendar for schedule of tests, ICRs, and material to be covered on Moodle.
2. Oral participation indicating preparation on selected topics is required at the ICR’s.
3. The Moodle site has embedded PowerPoints, material to augment lectures, links available for discussion, email and announcements. You are encouraged to use campus resources including the MMC and campus computer labs. If you require technical support contact the CC Help Desk via email, phone, in-person, or live chat.
4. Announcements will be made on Moodle. Students are responsible for reading and keeping up with announcements and emails. Students should check the site for emails and announcements on a daily basis, except weekends and holidays, as this is a primary means of communicating information pertinent to the classroom and clinical learning environment. Again, students are accountable for information shared via the course website.
5. Satisfactory performance is required on unit tests and the final comprehensive exam.
6. Smarthinking is an online tutoring opportunity that can be accessed in the upper right corner of your Moodle homepage. Nursing "e-structors" are available for live tutoring during specified times, or a student can make a scheduled appointment to meet with an e-structor. We encourage any student who may require additional learning assistance to utilize this resource as needed for classroom or clinical inquiries.
7. Lecture Hall: The ICR course component will be held in HS 224.
8. The computers are for testing purposes only. Do not utilize the classroom computers unless instructed to do so. Upon completion of your exams, please shut down your computer, unless otherwise instructed.

II. Evaluation of Theory
1. A total of 4 unit tests will be given as well as the comprehensive final exam.
2. Seventy-five minutes will be allowed for each unit test followed by 20 minutes for collaborative testing with random grouping.
3. One hundred fifty minutes will be allowed for the final exam.
4. Test Dates: Refer to class calendar.
5. ATI Maternal Newborn Assessment.

**Student Rights and Responsibilities:** Please refer to the Casper College Student Conduct and Judicial Code for information concerning your rights and responsibilities as a Casper College Student.

**Chain of Command:** If you have any problems with this class, you should first contact the instructor to attempt to solve the problem. If you are not satisfied with the solution offered by the instructor, you should then take the matter through the appropriate chain of command starting with the Department Head/Program Director, the Dean, and lastly the Interim Vice President for Academic Affairs.
**Academic Dishonesty:** (Cheating & Plagiarism) Casper College demands intellectual honesty. Proven plagiarism or any form of dishonesty associated with the academic process can result in the offender failing the course in which the offense was committed or expulsion from school. See the Casper College Student Code of Conduct for more information on this topic.

**Official Means of Communication:** Casper College faculty and staff will employ the student's assigned Casper College email account as a primary method of communication. Students are responsible to check their account regularly.

**ADA Accommodations Policy:** If you need academic accommodations because of a disability, please inform me as soon as possible. See me privately after class, or during my office hours. To request academic accommodations, students must first consult with the college’s Disability Services Counselor, Brent Heuer, located in the Gateway Building, Room 344, (307) 268-2557, bheuer@caspercollege.edu. The Disability Services Counselor is responsible for reviewing documentation provided by students requesting accommodations, determining eligibility for accommodations, and helping students request and use appropriate accommodations.

**Calendar of course content:**
Please see the calendar for a complete list of content and schedules.
