Please list any aspects of your medical history of which we should be aware, including rare blood type, respiratory or heart problems, physical impairments or limitations, asthma, allergies, epilepsy, diabetes or other chronic conditions. This information will be kept confidential and only will be shared with trip leaders and emergency personnel.

Name: _____

Address: _____

City: _____ State: _____ Zip: _____ Phone: _____

Field Trip: Participants must be capable of fairly strenuous physical activity to reach the excavation sites. Wyoming weather can be extreme! T-shirt and jeans are the norm, with boots or tough walking shoes. A hat, sunglasses and sunscreen are advisable, but bring a sweater and lightweight rain gear too. Hammer and hand lenses are useful options. The Tate will provide collecting bags. Drinks are provided, but you MUST bring your own water bottle.
