

Casper College Western History Center
Neal Blair Collection
Accessioned June 7, 2010

This is the personal collection of Neal Blair who conducted years of research on the Native Americans and western forts. Emphasis on Indians who served in US Cavalry, the Cherokee Nation, famous Native Americans, and forts in the west. A great majority of this collection contains secondary sources; however, Mr. Blair took numerous notes on the material and these notes are also included in the collection. Topics include culture, dress, housing, Cherokee Trail, crafts. Also included are travel maps, newspaper clippings, and magazines. The photographs have been removed and are in p99-Blair photograph collection. Books donated are located in the Book Collection.
