* General Transfer courses are accepted at Casper College for academic transfer. These courses are numbered 1000 to 1499 (freshman classes) and 2000 to 2499 (sophomore classes). Other community colleges and university typically accept these classes for academic transfer depending on the applicable of the course to specific degree programs.

** Occupational/Vocational courses are accepted at Casper College for college credit within specific vocational or industry programs. These courses are numbered 1500 to 1999 (freshman classes) and 2500 to 2999 (sophomore classes). These courses are generally **not** accepted for academic transfer at other community colleges or four year universities.

If you have questions about the transferability of a concurrent enrollment course offered in conjunction with Casper College to other colleges or universities, please contact our BOCES Manager, Jeana Lam-Pickett, at 268-3308.
