- If financial aid is issued by another institution, Casper College tuition and fees will NOT be deducted from that financial aid.

PAYMENT PLAN:

Casper College offers a monthly or bimonthly payment plan to allow you to pay your educational expenses in smaller, more manageable monthly/bimonthly installments. Utilize the payment plan if payment cannot be made in full by the payment deadline, when there is a delay in processing financial aid or if the student is in the process of making changes or seeking adjustment to their account when payment is due.

- Follow this link to set up your payment plan:

caspercollege.afford.com

If you would to use your excess financial aid to purchase books and/or supplies as our campus bookstore, you can do so from January 2 – January 25, 2019. This only applies to students who are expecting a financial aid refund.

DROPPING COURSES AND COMPLETE WITHDRAWAL FROM CASPER COLLEGE:

- A complete withdrawal CANNOT be done through myCCinfo. Student can do a complete withdrawal online at www.caspercollege.edu, A-Z index, Withdrawal Request Form. Contact Enrollment Services 307-268-2323 for questions.
- Non Attendance does not constitute withdrawal from courses. A student is responsible for charges incurred to date of formal withdrawal. Notify Enrollment Services if you are not going to attend, 307-268-2323.

FAILURE TO PROPERLY REGISTER:

A student who attends class without being properly registered in that course and subsequently wishes to receive credit for that course, will be required to pay, with collected funds, the tuition and fees associated with the course plus all of that semester’s extension and late fees prior to the student’s enrollment in the course.

PAST DUE ACCOUNTS

- A financial hold is placed on an account whenever a payment is past due or when the account has an outstanding balance, regardless of payment arrangements, prior to early registration.
- The financial hold will prevent new registrations and the issuance of academic transcripts.
- To release a financial hold, the debt must be paid in full. Payment with collected funds will release the hold upon payment. There is a two week wait from the date of deposit when payment is by personal check.
- New registrations will be cancelled for nonpayment of a prior semester debt.
- An account that has not met payment requirements will be referred for collection.

CONSEQUENCES OF AN ACCOUNT IN FULL COLLECTION

- There will be no adjustment to or petition consideration given to an outstanding balance.

• Account will be assessed collection costs, court costs and attorney’s fees incurred as a result of collection efforts. The default will be reported to credit reporting agencies.

- Future enrollment will require prepayment of tuition and fees with collected funds prior to registration. Student will not be permitted to utilize the payment plan.
