

HATHAWAY SCHOLARSHIP APPEAL FOR INITIAL ELIGIBILITY

Hathaway Statue requires students to meet specific initial eligibility requirements. Initial application must be received within two years of the student's date of high school graduation. Initiation of funds and enrollment must be the following semester. Also, students must graduate from an eligible high school and meet specific success curriculum requirements. Students who fail to meet initial eligibility requirements are not eligible unless good cause is demonstrated, or the student entered military or religious service. Good cause examples are death or tragedy in the family, personal accident or illness, and/or geographic transfer due to employment. To appeal scholarship eligibility, the student must complete this form and return it with appropriate documentation such as copies of medical bills, or statement from physicians, psychologists, or other professionals and/or death certificate to Enrollment Services. The petition will be reviewed by Casper College to determine Hathaway eligibility. Please contact the Hathaway Scholarship Coordinator with any questions regarding this process. Appeals which are denied by Casper College can be appealed to the Wyoming Department of Education.

Complete this page, attach required documentation and statement, and return to Enrollment Services. Incomplete petitions will be returned to the student.
