

## **ReNEW ADN End-of Program Student Learning Outcomes**

Upon completion of the ADN program, the graduate will be expected to:

1. Provide safe nursing care within the healthcare system.
2. Incorporate prior knowledge, current research, and clinical experience in decision-making.
3. Demonstrate leadership skills as part of an interprofessional team to promote desired outcomes.
4. Use effective communication and advocacy to provide individualized care.
5. Practice within the core values, principles, and standards of the nursing profession.
6. Utilize the nursing process and a broad knowledge base to maximize health.
