

BOISE STATE UNIVERSITY

COLLEGE OF HEALTH SCIENCES

School of Allied Health Sciences

Radiologic Sciences

Articulation Agreement between Boise State University and Casper College

This Agreement is effective as of the date of final signature below and shall be in effect for three (3) years or until earlier terminated by one of the parties. Either party may cancel this Agreement upon twenty (20) days' advance written notice to the other party; provided, however, that any student who has already enrolled at Boise State University shall be entitled to the benefit of this Agreement.

Boise State University

Regional Accreditation

Boise State University is regionally accredited by The Northwest Commission on Colleges and Universities.

Bachelor of Science Degree Curriculum

The 120-credit Bachelor of Science Degree Curriculum satisfies all general education requirements (University Foundations Program) and all professional curricular requirements. The student may earn the Bachelor of Science Degree by completing all requirements in the four-year curriculum or by completing all requirements in the Imaging Sciences Program.

Casper College

Regional Accreditation

The Casper College is accredited by The Higher Learning Commission.

School of Health Sciences Radiography Program

Professional Accreditation

The Associate of Science Radiography program is accredited by the JRCERT. The next accreditation review is due 02/01/2024.

Radiologic Technology Associate of Applied Science Degree Curriculum

The Associate of Science Radiography Degree Curriculum exceeds 65 semester credits and satisfies all general education requirements and all professional curricular requirements.

Boise State University Department of Radiologic Sciences Imaging Sciences Program

The Degree Completion Program allows students to enroll once they have met the following criteria:

- Successfully completed an Associate Degree (AS, AAS, AA) in the field of imaging sciences
- Earned a medical imaging credential through the American Registry of Radiologic Technologists (ARRT) or equivalent, such as a sonography credential through the ARDMS
- Admitted to Boise State University and the Imaging Sciences Program

The Imaging Sciences Program is designed for Registered Imaging Professionals who want to earn a Bachelor of Science Degree in Imaging Sciences. The student is required to complete 33 credits (14 courses) plus any missing prerequisite or university foundations courses; each of the courses is available online. Because the student is required to be a credentialed medical imaging professional as a pre-requisite for the program, there are no clinical courses in the Imaging Sciences Program.

Courses are delivered via BlackBoard, which is a web-based, course-management system designed to allow students and faculty to participate in classes delivered online. BlackBoard enables instructors to provide students with course materials, discussion boards, virtual chat, live audio-visual discussions, online quizzes, an academic resource center and more.

Online courses typically are more time-intensive than typical face-to-face courses. Students will be required to do a significant amount of reading, online posting, writing papers and other online activities; therefore, the student must be motivated and willing to allocate a considerable amount of time for each course. For this reason, it is not recommended that students working full-time take more than two or three courses per semester.

Students who earn an Associate of Science Degree must also satisfy all University Foundations (university general core curriculum) requirements. The student may complete each of the requirements before transferring to Boise State University or concurrently while in the Imaging Sciences program.

Because graduates from the Radiography Technology Program at Casper College (CC) earn an Associate of Science Degree and are eligible to take the ARRT national credentialing exam, CC graduates should meet the first two admission requirements. Once the student has passed the necessary examinations to earn the credential and has been admitted to Boise State University, the student may apply to the Department of Radiologic Sciences Imaging Sciences Bachelor's Degree Program.

If the student earns an Associate of Science Degree in Radiography Technology, the student will only have to complete the programmatic prerequisites and the 33 credits (IMGSCI and HLTH prefixed courses as listed below) required for Associate of Science Degree graduates.

Boise State University and Casper College Transfer Course Equivalency Table

BOISE STATE UNIVERSITY			CASPER COLLEGE		
Imaging Sciences Program Prerequisites			Equivalents		
Course Number	Course Title	Credits	Course Number	Course Title	Credits
MATH 108 OR MATH 143	Intermediate Algebra OR College Algebra	4 3	MATH0930 OR MATH 0934 OR MATH 1400	Intermediate Algebra Elementary & Intermediate Algebra Pre-Calculus Algebra	3 3 5
MATH 254	Introduction to Statistics	3	STAT 2050 OR STAT 2070	Fundamentals of Statistics Introductory Statistics for Social Sciences	3 3
BIOL 227	Human Anatomy and Physiology I	4	ZOO 2040	Human Anatomy	All Req. for Equiv. (8)
BIOL 228	Human Anatomy and Physiology II	4	ZOO 2041 AND ZOO 2110	Human Anatomy Lab Human Physiology	
HLTH 101	Medical Terminology	3	HLTK 1200	Medical Terminology	
University Foundation Requirements			Equivalents		
FW	ENGL 101 Intro to College Writing (aka Writing & Rhetoric I)	3	ENGL 1010	English I: Composition	3
FW	ENGL 102 Intro to College Writing and Research (aka Writing & Rhetoric II)	3	ENGL 1020	English II: Composition	3
FC	Foundations of Oral Communications (COMM 101; SOC 122)	2-3	COM 1030	Interpersonal Communication	3
FN	Foundations of Natural, Physical or Applied Sciences in second field	7-8	Examples	CHEM 1005 & 1006 (lab); GEOL 1100; PHYS 1050	7-8
FA	Foundation of Arts	3	Examples	ART 1010; MUSC 1000	3
FH	Foundation of Humanities	3-4	Examples	PHIL 1000	3-4
FS	Foundation of Social Sciences, PSYC 101 OR SOC 101	3	Examples	SOC 1000; PSYC 1000	3
FS	Foundation of Social Sciences, Second Field	3	Examples	COM 1010; POLS 1000	3
UF	University Foundations requirement for AAS transfer students (UF-200)	3			
	Working knowledge of Microsoft Word, and Excel				

Requirements to Earn a Bachelor of Science in Imaging Sciences from Boise State University

Requirements to be completed at Casper College

- Associate of Science Degree in Radiography (≥ 65 semester credits)

Requirements to be completed at Casper College or Boise State University

- University Foundations Program
 - Please see equivalency table above

Professional examinations to be completed through the ARRT or equivalent Credentialing Organization

- Examinations required to earn credential in an Imaging Sciences modality

Requirements to be completed, online, through Boise State University

- Professional Courses
 - IMGSCI 302 Civic Engagement, Ethics and Global Diversity, 3 credits
 - IMGSCI 304 Professionalism and Research in Radiologic Sciences, 1 credit
 - IMGSCI 305 Human Resource Management in Health Care, 3 credits
 - IMGSCI 308 Advanced Digital Imaging, 2 credits
 - IMGSCI 310 Public Health, 3 credits
 - IMGSCI 312 Information Technology for Imaging Professionals, 1 credit
 - IMGSCI 314 Health Law and Ethics, 3 credits
 - IMGSCI 315 Health Informatics in Imaging Sciences, 3 credits
 - IMGSCI 382 Research Methods in Imaging Sciences, 3 credits
 - IMGSCI 402 Comprehensive Analysis on Radiation Protection, 2 credit
 - IMGSCI 404 Study of Diseases in Medical Imaging, 3 credits
 - IMGSCI 408 Sectional Anatomy in Medical Imaging, 3 credits
 - IMGSCI 412 Preventative Care and Patient Advocacy in Medical Imaging, 2 credits
 - HLTHST 400 Interprofessional Capstone, 1 credit
- Credit for Prior Learning
 - Students will receive 25 credits for prior learning based upon passing credentialing examinations. After successfully completing at least 12 credits at Boise State University, the student may request the credits for prior learning be applied to their transcript and pay the necessary fee (currently \$100). The adviser will complete the necessary university forms to process the paperwork for these 25 credits.

After successfully completing each of the above stated requirements, if the student is otherwise in good standing, the student will be awarded a Bachelor of Science Degree in Imaging Sciences from Boise State University.

Use of Marks: Neither party shall, prior to, in the course of, or after performance under this Agreement, use the other party's name, logos, or trademarks in any advertising or promotional media, including press releases, without the prior written consent of the other party.

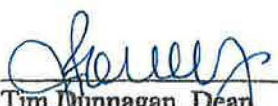

IN WITNESS THEREOF, the parties have executed this Agreement hereto, as of the last date written below:

Joie Burns, Chair
