

## **Addendum #1**

RFP #CC548-21

### Student Housing Furniture

#### **More information and Correction on Bid form:**

Casper College understands that different fabric grades will impact the price of the furniture. Please feel free to send in multiple quotes and samples. To clarify what we are looking for is a fabric that can be wiped down on a frequent basis by our custodial staff. We don't want the fabric to hold moisture so that within 5 minutes after being wiped down, someone can sit on it and not get their clothes damp/wet. We currently use a bleach water solution and electrostatic sprayers in the area.

The total on the Bid Form for the 3 Seat Sofa was incorrect the total should be and has been changed to 10. (See Page 2 for the updated bid form)

There are 2 different heights on the Bar Height Seating. The counter height for 36 of the seats is 34-3/8" to the bottom of the counter, and the counter height for 24 of the seats is 42-1/2" to the bottom of the counter. (See Page 2 for the updated bid form)
