### Petition for Housing Contract Release

Students wishing to be released from their housing contract or apartment lease with no penalty or financial obligations may submit this petition form. Completed petition forms should be submitted Area Coordinator Jessica Bailey (RH 100D, or by emailing to [jessica.bailey@caspercollege.edu](mailto:jessica.bailey@caspercollege.edu)). The Area Coordinator will make a decision regarding approving or denying the request.

If a petition is approved, students will be released from their contract, and remaining room and board charges for the current term will be refunded to the student's account on a prorated basis (see sub-points below for exceptions to this practice):

- Refunds for room and board charges will not be given after the refund deadline for each semester, even if a petition for contract release is granted. The refund deadline for Fall Semester is November 16th, and the deadline for Spring Semester is April 12th.

If a petition is approved, the housing deposit will also be refunded (provided there are no charges for damages or other fines). For students submitting a petition between semesters, petition documents must be received **no later than January 5th** in order for the petition to be considered. In these circumstances, students must vacate their room and remove all belongings no later than **January 11th** in order to receive the deposit back. Petitions received after January 5th will be automatically denied.

If a petition is not approved by the Area Coordinator, students may submit a written appeal via email to the Director of Student Life. Appeals should include the original petition form, as well as a written statement of why the student believes an appeal should be granted. Appeals will be decided upon within two business days. The appeal decision is final.

Students vacating their residence hall or apartment due to an approved petition must follow proper check-out processes in order to receive their damage deposit.
