

Submitting your housing damage deposit online

Once you have submitted a housing application, the next step is to pay your \$200 damage deposit. You are welcome to mail a check to the College or pay in-person (cash or check only) at the Business Office. This document walks you through how to pay your deposit online, via your MyCCInfo account. If you have any specific questions, please contact us at 307-268-2394 or by emailing mschafer@caspercollege.edu.

1. **Visit <http://caspercollege.edu>.** On the College's website, you will see a button at the top right of the page titled "Login." Click this button.
2. **Log into myCCInfo.** The page that displays has three blue buttons for different software systems you can log into ("goCC," "myCCinfo," and "ClassLink"). Click "myCCinfo," which is the option in the middle of the image below. Your username and password are the same as your log-in for all other Casper College software systems (like eRezLife, Moodle, etc.). For most students, their username is "firstname.lastname" (ex. "terra.hess"). If you're having trouble logging in or need your password reset, you can call the Casper College IT Help Desk at 307-268-3648.

Are you... considering Casper College?

goCC

goCC is your online portal for managing your application to Casper College and event registrations, including daily tours.

Are you... a new student?

Reset your temporary password

1. Use the username and temporary password that were emailed to you.
2. Log in to myCCInfo.
3. Reset your password to something you can remember.

Can't find your temp password? Contact the [Help Desk](#) to get a new one.

[myCCInfo >](#)

Are you... a current student or employee?

Classlink Personal Cloud Desktop

ClassLink is your portal to Casper College apps such as Moodle4Me, myCCInfo, student and employee email, and more.

[ClassLink >](#)

3. **Click on the following options.** Once you successfully log in, you will see a home screen that looks similar to the image below. To get to the payment section of the website, perform the following clicks:
 - a. Click on the "hamburger stack" icon (3 horizontal bars) at the top left of the page
 - b. Select "Financial Information"
 - c. Select "Student Payments/Payment Plans/Student Refunds"
 - d. Click the gray "Proceed to Processor" button. This will open up a new tab.

The screenshot shows the myCCinfo website for Casper College. At the top, there is a navigation bar with the myCCinfo logo and the Casper College name. Below this, a welcome message reads "Hello, Welcome to myCCinfo! Choose a category to get started." Two main categories are highlighted: "Student Finance" with a sub-link "Here you can view your latest statement and make a payment online." and "Course Catalog" with a sub-link "Here you can view and search the course catalog." A vertical sidebar on the left contains icons for home, building, clock, and graduation cap.

4. Review the online payment system. The tab that opens in a new window is the Nelnet software, which we use for payments, refunds, and payment plans. It is important for you to be familiar with this software system as a student, as you will use it every term to pay your College bill. We encourage you to spend some time navigating this website. On here you can set up a payment plan (which are required before you can move into the Residence Hall, unless you have a scholarship covering the full cost of your room and board), set up a direct deposit account for refunds (meaning any money from the College goes directly into your bank account instead of waiting for a check to be mailed), and configure your notifications. You can also add an authorized party who can make payments on your account (i.e. parent, significant other, etc.).

The screenshot shows the Nelnet student portal interface. At the top, the Casper College logo is on the left, and the Nelnet logo, "Español" link, and "Customer Service" link are on the right. A navigation bar below the logo contains "Home", "My Profile", and "Financial Accounts". On the right side of the navigation bar, there are icons for notifications, a lock, and a user profile labeled "Signed in as Michael". Below the navigation bar, the user is greeted with "Hello Michael". There are three main sections: "Payment Activity" showing a current balance of \$0.00 with a "Make a Payment" button; "Refunds" with a "Manage Refunds" button; and a user profile for "Michael Peacock" with contact information and options to register for text services and add an authorized party.

- 5. Enter payment information.** From the home screen, click the green “Make a Payment” button. Then, a drop-down menu will appear, asking you which account you would like to pay. From this drop-down menu, select “Housing Damage Deposit.” Once this is selected, you will see a screen similar to what is displayed below. Choose the appropriate term (for 2021-2022 housing applications, the correct term would be “Fall 2021”) and enter the amount \$200 in the payment amount box. Then, click the green “Next - Payment Method” button.
