Davey Coach	\$212,795.00	2020 Freightliner	33 Passenger w/ rear Luggage	Really Nice but the most expensive	No

Due to the timeline and that Masters Transportation can have the Bus delivered by September 1, 2021 we have gone with this option. There is a national microchip shortage and most estimates of delivery dates were after January 2022. We need the bus by September 1, 2021. We also decided that it was best to by a bus will no miles and full warranty would give us the best value.
