#### CASPER COLLEGE BUDGET MESSAGE

Fiscal Year Ending June 30, 2021

#### Members of the District Board:

A brief overview of the proposed annual budget for the Fiscal Year 2021 is included below and is followed by more detail in subsequent sections of the document.

#### **REVENUE:**

#### **STATE APPROPRIATIONS:**

OPERATING FUND - The FY 21 state appropriation funding included in the FY 21 budget has been reduced by 10%; \$1.9 million. The reduction has been partially offset by one-time funds of \$754,00 approved in the recent legislative session. The estimated amount for FY 21 includes all categories: general state aid, completion funding state aid, and supplemental state aid for health insurance cost reimbursement, reimbursement for a portion of the costs associated with retiree health insurance, and for the employers' increased share for retirement contributions. The funds available for reimbursement have also been reduced to reflect anticipated cuts. The appropriation also includes funding from the Wyoming Investment in Nursing Program of \$85,000 to support a faculty position.

PLANT FUNDS - Casper College will receive funding in FY 21 for projects approved on a reimbursement basis beginning July 1, 2020. Projects for FY 21 were submitted for approval in June 2020. The amount appropriated for the 2021 – 2022 Biennium was initially approved at approximately \$6.1 million. However, the appropriation has been reduced by 10%. Expenditures budgeted in the plant fund include projects anticipated to be completed during FY 21.

Payments made to the Casper College Foundation are included within the Plant Funds expenditure budget. The payments total just over \$256,588 with interest expense of approximately \$43,362. As of June 30, 2021, there will be three years remaining in the payment schedule.

#### **LOCAL TAX REVENUE:**

OPERATING FUND – The revenue estimated from the mill levy assessed on local property is slightly higher than FY 20 based upon the most recent communication from the county assessor. The amount received from motor vehicle fees is currently estimated at \$1,200,000; an increase of 5% over FY20.

OPTIONAL ONE-MILL FUND — An estimate based upon a slightly higher assessed valuation is incorporated for funds received from the mill levy. Revenue from student fees for digital technology support for FY 21 is estimated at \$215,000. The Board of Trustees approved an additional increase in mandatory fee assessments for FY 21 to be directed to support digital technology. One-mill funds are also available to support operational costs, renovations, and deferred maintenance of college facilities. This includes an increase approved by the Board for

FY 21. Over \$1.3 million in salaries and benefits as well as related departmental operating costs are included in the budget of the One-Mill fund.

#### **STUDENT PAYMENTS:**

OPERATING & AUXILIARY FUNDS - Tuition rates authorized by the Wyoming Community College Commission remain at FY 20 rates. Budget estimates for tuition and fees include a 10% decrease from FY 20 budgeted enrollment levels. The Board approved an increase in mandatory fee assessments for FY 21 to be directed to support digital technology infrastructure for students.

Housing rates were increased by approximately 2.19% for a double room in the Residence Hall. Rates for apartments were not increased. Rates for board plans were increased by approximately 2.94% based upon anticipated increases in operational costs and meal plan structure.

#### **EXPENDITURES:**

Salaries and Benefit expenditures are approximately 77% of the proposed Operating Fund Budget.

The employee group health insurance premiums will increase effective August 1, 2020, and this increase is reflected in expenditures.

Operating expense budgets have been reduced to meet available funding sources. Because of expected reductions in both state appropriations and enrollment departments will continue to analyze their operating budgets to identify further reductions. A budget for contingencies is included within the budget and is available for unanticipated needs that may arise during the year.

The FY 21 Budget includes a \$300,000 allocation for instructional capital outlay requests and technology support; \$260,000 for the purchase of equipment necessary for technology infrastructure and \$40,000 for equipment in instructional areas

**DEBT SERVICE** - The outstanding balance of the General Obligation bonds is \$24,120,000. The levy for debt service will remain at 1.89 mills for FY 21. Payments to be made in FY 21, net of the Build America Bond interest subsidy total \$2,223,786. The amount to be paid against the principal is \$1,255,000.

The outstanding balance of the revenue bonds as of July 1, 2020, is \$17,790,000. The total amount of debt service required for the revenue bonds is \$1,370,312. Debt service required for the revenue bonds receives support from the Casper College Foundation of \$650,000. The debt service payment in FY 21 net of the Foundation grant and the Build American Bond interest subsidy is \$720,312.

## **RESTRICTED FUNDS**
