

THE NATIONAL SOCIETY OF LEADERSHIP AND SUCCESS

Contact NSLS at help@nsls.org or [click here to live chat](#). Or call **201-222-6544**.

NSLS members begin their leadership journey with **FOUNDATIONS OF LEADERSHIP**. To truly distinguish themselves from their peers and apply their new skills in real-world situations, many go on to complete their **ADVANCED & EXECUTIVE LEADERSHIP** training.

Additionally, the NSLS offers three credit-bearing courses that complement the certification programs. Thanks to the National College Credit Recommendation System (NCCRS) and the American Council on Education (ACE), thousands of cooperating colleges and universities have agreed to consider awarding college credit for NSLS courses.
