Other Important Information

- ⌚ **Courses over a year old** being used for placement need to be evaluated by the Placement Coordinator
- ◆ **Accelerated Courses: Math 0934 and Math 1450** These courses are intended for students who can handle the accelerated pace of the course. Use caution when advising students into these courses.
- ◆ **Math 1000 is NOT a pre-requisite for any course except STAT 2050 or STAT 2070**
- ◆ Many other courses, including **accounting, chemistry, engineering, and physics** have math prerequisites. Please check the Casper College catalog for prerequisite information
