

Assessment Technologies Institute (ATI)

Test of Essential Academic Skills (TEAS)

The ATI TEAS test measures the likelihood of a candidate being successful in their first year of Health Science Program. The goal is two-fold in that we want our students to stay in the program and be successful in passing the licensure exam at the completion of the nursing program.

On the ATI TEAS, the following areas are tested. You will have 209 minutes to complete the exam. Additional information can be found at <http://atitesting.com/teas-exam.aspx#toggle-id-1> including study material. (Use Firefox as your browser when accessing ATI Testing).

ATI TEAS Content Areas	VERSION 6		VERSION 7	
	# Questions	# Minutes	# Questions	# Minutes
Reading: Key ideas and details; craft and structure; integration of knowledge and ideas	53	64	45	55
Mathematics: Numbers and algebra; measurement and date	36	54	38	57
Science: Human anatomy and physiology, life and physical sciences; scientific reasoning	53	63	50	60
English & Language Usage: Conventions of standard English; knowledge of language, vocabulary acquisition	28	28	37	37
TOTAL	170	209	170	209

Only students achieving a Proficient level or above will be eligible to apply to the nursing program. Students earn points on the 'Admission Ranking Worksheet' based on their actual Individual Adjusted Score, which can be found in the upper right hand corner of the TEAS results. Basic and developmental scores are ineligible for application to the program.

ACADEMIC PREPAREDNESS LEVELS

Level	Academic Preparedness Level Definition	Score Range Version 6	Score Range Version 7
Exemplary	Exemplary scores generally indicate a very high level of overall academic preparedness necessary to support learning of health sciences-related content.
